

The clauses in Part 52 of the Federal Acquisition Regulation (FAR) and Part 252 of the Defense Federal Acquisition Regulation Supplement (DFARS) set forth below, and in effect on the date of the Order, are incorporated herein by this reference and made a part of the Order. In all such clauses, the term “Contractor” shall mean “Seller,” the term “Contract” shall mean the “Order,” and the term “Government Contracting Officer” (or equivalent phrases), shall mean “Buyer” as applicable; except that in those clauses conferring patent and data rights to the Government, the term “Government” or “Contracting Officer” retains its literal meaning and is not to be construed as “Buyer.” It is intended that the FAR and DFARS clauses referenced below shall apply to Seller and its lower-tier subcontractors, as applicable, in such manner as necessary to reflect the position of Seller as a subcontractor to Buyer, to ensure Seller’s obligations to Buyer and to the U.S. Government; and to enable Buyer to meet its obligations under its contracts funded by the U.S. Government.
